

The Pool and Hot Tub Alliance Defense Fund

A Trusted Source

PHTA is the industry's most trusted voice in government. PHTA advocates on our industry's behalf to Federal, state and local governments on issues impacting your business.

Protecting Your Interests

PHTA constantly monitors legislative and regulatory issues that affect your business, but our continued success depends on you. Member engagement on issues that enhance or threaten businesses helps us chart an industry course for success. Some of our key issues are as follows:

- Americans with Disability Act
- Building Code Development & Adoption
- Chemical Regulations
- Decarbonization & REACH Codes (gas bans)
- Drought Restrictions & Water Conservation
- Energy Efficiency of Pool & Hot Tub Products
- Fiberglass Pool Transportation Regulations
- Immigration (J1 & H2B visas)
- Independent Contractor Classification
- Licensing & Certification
- Lifeguard Requirements
- Pool & Hot Tub Safety
- Public Pool Health Rules/Codes
- Tariff Policy
- Tax Incentive Legislation

Making a Difference

PHTA works with legislators, regulators, and local officials to provide feedback on proposed measures while working to ensure our industry is not subjected to any unfair regulations. PHTA also puts forward initiatives for consideration by government bodies that come from our members and improve our industry. Furthermore, PHTA works collaboratively with allied groups and coalitions to strengthen our position. Some of our partners include:
