

Dr. R. Neil Lowry Grant

Advancing the public's health and safe use of recreational water

What is the Dr. R. Neil Lowry Grant?

The Dr. R. Neil Lowry Grant is a \$5,000 award that honors a public health official or department who has made outstanding contributions to advance the public's health and safe use of recreational water in pools, spas, and waterparks through educational, safety, operational, and technical programs.

Why was this grant established?

In 2009, a grant was established in memory of Dr. Robert Neil Lowry, a long-time member of The Association of Pool & Spa Professionals (APSP), now the Pool & Hot Tub Alliance (PHTA), who influenced the pool and spa industry for over 25 years as a healthy water consultant to government and private industry. To learn more about Dr. Lowry and his work, click [here](#).

How can I apply or nominate an organization?

Download the nomination form [here](#).

What's the deadline to apply?

Completed Nomination Forms should be emailed to awards@phta.org no later than **5:00 p.m. EDT, Friday, August 12, 2022**. Include **"Lowry Grant"** in the subject line.

Who selects the winner?

Representatives of the PHTA Recreational Water Quality Committee (RWQC) and a PHTA staff member will select an outstanding public health official or department by August 31, 2022. The PHTA RWQC develops and maintains authoritative information for the aquatic community regarding chemical products, processes, and devices that affect water quality maintenance of swimming pools, spas, and hot tubs. The committee uses scientific data, research, and sound engineering practices in its development of all PHTA information, PHTA publications, and American National Standards Institute (ANSI) accredited PHTA standards.

When will the grant be presented?

The Dr. R. Neil Lowry Grant award will be presented at the World Aquatic Health Conference in October 2022.
