

PHTA Standard Writing Committee (SWC) Operating Guidelines

Version 7 Approved by the Technical Advisory Council (TAC) 3/12/2024

1. Scope

PHTA Standard Writing Committees (SWCs) shall function in accordance with the governance policies of the PHTA Board of Directors. All revisions shall be accompanied by a reason statement produced by the SWC. Following approval by the SWC, the PHTA Standards Consensus Committee (SCC) is responsible for approving each new or revised PHTA ANS. Requests for formal interpretations will be considered by the SWC Chair in consultation with PHTA staff. The Technical Advisory Council (TAC) may direct SWC members to create supplemental materials such as appendices, checklists and worksheets.

2. Membership

Members of an SWC shall be sought with the objective of achieving a balance of representative views and effort will be made to provide diverse subject-area expertise and geographical representation to meet the needs of the SWC. When possible, participants with the requisite technical knowledge shall be prioritized. Members of the SPC are encouraged to attend SWC meetings as an observer as appropriate.
