If appointed, I agree to abide by the rules and guidelines of PHTA’s ANSI Accredited Procedures for Development of American National Standards and PHTA’s Volunteer Code of Conduct and PHTA’s Antitrust Policy.

In addition, I hereby agree to notify the PHTA, as the Secretariat, of a change in status, including change of employment, organization represented, or funding source. I also agree that PHTA shall have, and I hereby grant, all and full rights in copyright in any material that I author, either individually or with others, as a member of this committee, or that I submit for the proposed use of the committee in an PHTA code or standard or other PHTA document. I further acknowledge that I acquire no rights in any publication of PHTA and that copyright and all rights in all materials produced by PHTA standards or technical committees are owned by PHTA and that PHTA may register copyright in its own name.

I do not now hold and I do not intend to hold any patent, the use of which would be required for compliance with any material that I author – either individually or with others – as a member of this committee, or that I submit for the proposed use of the committee in an PHTA code or standard or other PHTA document.
