

CPO[®] CERTIFIED?

Let **Pool Pros CPO Training** professionally train your public and semi-public pool operations team. Our Certified Pool-Spa Operator (CPO[®]) class covers the following topics and more:

- ◆ Pool and spa calculations for maximum accuracy and efficiency
- ◆ Water disinfection and balance, chemical additions and safety
- ◆ Circulation, filtration, chemical feeders and automation
- ◆ Health code compliance
- ◆ Efficient operations and management

This two-day class for pool professionals is taught by award-winning certified instructors with extensive teaching and hands-on field experience. The CPO[®] certification is nationally recognized and mandatory in multiple jurisdictions. (Note: The class and open-book exam are presented in English.)
